

MILPOWER SOURCE WINS 5-STAR SUPPLIER EXCELLENCE AWARD FROM RAYTHEON'S INTEGRATED DEFENSE SYSTEMS

First-Time Winner Cited for Quality and Performance

BELMONT, NH, June 15th, 2015: Milpower Source Inc., a leading designer and manufacturer of custom power supplies, converters, inverters and UPS systems for the defense and commercial aircraft industry, has received the coveted 5-Star Supplier Excellence Award from Raytheon's Integrated Defense Systems. Cited for quality and performance, this marks the first time that the New Hampshire-based company has won.

Raytheon's Integrated Defense Systems (IDS) business instituted the annual Supplier Excellence Awards program to recognize suppliers who have provided outstanding service and partnership in exceeding customer requirements. Award candidates are judged on certain criteria, including overall quality, on-time delivery and a demonstrated commitment to continuous improvement. Milpower Source was one of 12 companies selected for the 5-Star recognition, which is the highest level of acknowledgement a Raytheon's Integrated Defense Systems (IDS) business supplier can achieve.

"Milpower Source is honored to be recognized by Raytheon; it is a tremendous achievement," said Milpower Source President Bruce Maroni. "This award belongs to all of Milpower Source employees, and is a testimony to their hard work and dedication. Milpower Source will continue to strive to be the best power supply company in the defense industry, with on-time delivery and high quality reliable products.
