June 24, 2020

To our Valued Customers,

Due to the re-evaluation of our RMA Process, Evaluation costs, and Handling, effective July 1<sup>st</sup> 2020, Milpower will increase the Repair Evaluation fee to \$1,000. This will include units returned that are not under warranty, and are found with No Failure, as well as units that are deemed Beyond Economical Repair.

Thank you,

Teri Thibeault  
RMA Coordinator
